Best Practice 1

Title: Counseling to students

Objectives: To help students in resolving their personal, psychological problems which otherwise hinder their academic performance.

The Context: The College aims at providing higher educational opportunities to the underprivileged classes of society. Students from such background do face personal problems leading to absenteeism and lack of attention in the classroom.

The Practice: The professional counselor appointed by the college conducts sessions separately for different classes. Wherein she guides them on career related issues as well as confidence building. She has designed a syllabus for students as a methodology to overcome stress.

Evidence of Success: Students found these sessions very helpful to overcome their personal problems hindering academics.

Problem Encountered and Resources required: Students find it difficult to express their problems due to fear, shy and hesitating nature. Members of the counselling cell motivate them to express through awareness sessions and act as mediators between the students and the counsellor.
