The Knowledge Resource Centre (Library) of the college, in association with the Research Development Centre, organized a National Level Webinar on “**How to Improve Your Academic Reputation by Avoiding Plagiarism**” on the 5<sup>th</sup> June, 2020.

Prin. Dr. R.K. Patra, introduced the theme of the webinar. Librarian Mr. Uday Kulkarni introduce the Resource person of the webinar.

Dr. Manju Naika, Chief Library Officer, IIT Mumbai enlightened the participating faculty members and research scholars on various aspects contributing to the enrichment of one’s research.

He educated the delegates as to how to calculate the impact factor of a research journal. Introducing various types of plagiarism, he cautioned against the consequences of the same. He introduced plagiarism detections and plagiarism.net available online. The delegates were also enlightened regarding the importance of citation with a detailed guidance in citation styles MLA quotations, citation management tools etc.

He then guided regarding the ways in which plagiarism can be avoided by structuring the manuscript using IMRad format.

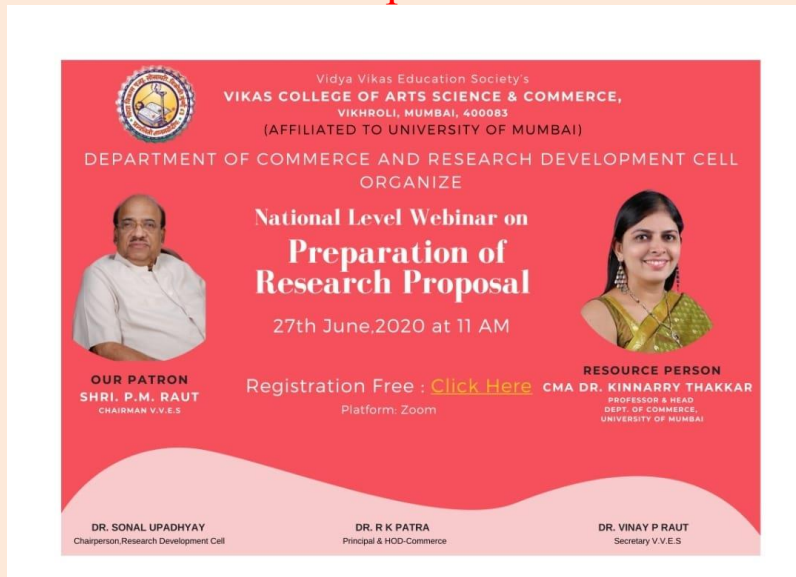

The delegates were also advised on how to select a journal for publishing one's research work using resources like journal suggester and how to avoid predatory publications.

Dr. Naika further explained the common reasons for manuscript rejection. Different language editing services available online were also informed.

The delegates were educated regarding the online digital repository, ORCID, Altmetrics, h-index as well as acceptable file formats for research.

248 researchers, academicians, from India and abroad as well as eminent faculty members in various fields attended the webinar. The webinar conducted on Microsoft Teams.

## National Level Webinar on “Preparation of Research Proposal”

The Research Development Centre in association with Department of Commerce organized a National Level Webinar on “Preparation of Research Proposal” on 27<sup>th</sup> June, 2020.

CMA Dr. Kinnari Thakkar, Professor and Head of the Dept. of Commerce, University of Mumbai guided the delegates in detail regarding various important aspects to be considered and taken care of while preparing the research proposal.

She guided them on how to frame the title, the background and rationale to be drafted as well as how to work on the research questions. She also discussed the way in which methodology, plan of work and schedule should be designed.

Apart from this, she also guided them regarding literature review, scope of research and bibliography.

143 researchers, academicians, from India and abroad as well as eminent faculty members in various fields attended the webinar. The webinar conducted on Microsoft Teams.
