IQAC
A Report on One Day Seminar on
Recent Trends in Research in Higher Education
2022-2023

The Internal Quality Assurance Cell in association with Research Development Committee of Vikas College of Arts, Science and Commerce, had organized a One day Seminar on “**Recent Trends in Research in Higher Education**” for faculty members and research students on Wednesday, March 29th, 2023. Total 66 participants including the faculties from various disciplines and PG research students attended the seminar.

The seminar was inaugurated at the hands of the Chief Guest, Dr. Vinay P. Raut, Secretary, Vidya Vikas Education Society, Vikhroli. He requested all the participants to contribute to the efforts towards successful implementation of NEP as well as made an appeal to all the faculties to participate actively in the research related activities and keep updating themselves on the qualitative parameters. Principal Dr. R.K. Patra introduced the concept behind the series of seminars to be conducted.

Dr. Sunil Karve, Chief Editor, Abhinav Group of Research Journals conducted the first technical session, **Dimensions of Research in Higher Education**, covered all the minute aspects of research explaining every concept in detail with illustrations.

Dr. Kuldeep Sharma, Secretary, Indian Commerce Association, conducted the second technical session, **Tool for Effective Research** wherein he explained the concept of variables in data in detail. He guided the participants on how to select an appropriate statistical method for analyzing research sample or case study.

The valedictory session was chaired by the Chief Guest Prof. Vikas Raut who encouraged the Research Development Committee to conduct more such research-oriented activities in the next academic year. Certificates of participation were distributed during the valedictory session at the hands of the chief guest and the resource person Dr. Kuldeep Sharma.

The seminar was helpful to all the participants as all the minute facets of research were dealt with by both the resource persons in detail with adequate simple examples from day-to-day life which made it easier for them to understand the concepts.

ABOUT THE SEMINAR

Research and research aptitude play an important role in higher education. The present times being complex with amplitude of data, digitization, multiplicity of resources pose challenges to the creative and intellectual minds thus paving way for generation of research ideas in different disciplines.

In order to motivate and guide the faculty as well as students on their way to the realm of research, the IQAC in association with the Research Development Committee of the College, has organized this one day Seminar on "Recent Trends in Research in Higher Education" on Wednesday, 29th March, 2023.

OBJECTIVES OF THE SEMINAR

- To introduce students to the most Conceptual approaches of research
- To guide the faculty and the students in using rationally the research methods approximately while preparing their research papers and dissertations
- To promote a progressive culture for the knowledge society and generation of new research ideas
- To promote free, creative and inductive thinking
