Vikas College Of Arts Science & Commerce

**Report on Addon courses at Vikas College of Arts, Science & Commerce in
Collaboration with ExcelR for the Academic Year 2022-2023**

Introduction:

Vikas College of Arts, Science & Commerce successfully organized a series of 30-hour add-on online certification courses in collaboration with EXCEL R. These courses were designed to provide students with additional knowledge and practical skills in various IT and data-related domains. The collaboration was facilitated through a Memorandum of Understanding (MOU) between the two entities.

- ExcelR's Every Day Learning (EDL) program is a 30-hour live virtual training program.
- The program is designed to provide participants with valuable knowledge and skills.
- The training program is offered free of cost due to the signed Memorandum of Understanding (MOU).
- The students/faculty can register for courses pertaining to trending technologies absolutely for free and attend live sessions conducted by real-time industry experts/working professionals.
- The sessions are conducted on weekdays, providing flexibility for participants.
- The timing of the sessions is from 7.00 PM to 9.00 PM, allowing students to attend after their regular commitments.
- All courses have a minimum duration of 15 days.
- Participants will have the opportunity to engage in hands-on exercises and practical examples during the training program.
- This interactive approach helps reinforce learning and allows participants to apply the concepts practically.
- Students with a minimum of 60% attendance are eligible for the participation certificate. Upon successful completion of the training program, participants will receive a participation certificate from ExcelR.
- The certificate serves as recognition of the participants' dedication, effort, and successful completion of the training program.

- ExcelR's Every Day Learning (EDL) program offers a valuable opportunity for individuals to enhance their skills and knowledge, benefiting their personal and professional growth.

Attendance report of the students

During the live session, a Google Form will be sent to the students. They are required to fill out this form for attendance and to provide feedback on the session. Students who attend at least 60% of the course will be eligible to receive a participation certificate. The following is the attendance report provided by ExcelR.

Model Certificates of the student

Summary:

This 15-day program on Advanced Excel, PowerPoint, and Word provided comprehensive training on essential Microsoft Office tools. With 30 hours of instruction spread across two weeks, participants gained expertise in the use of Advanced Excel for data analysis and manipulation, learned how to create and manage professional presentations in PowerPoint, and developed skills to enhance their document editing and formatting capabilities in Word. Classes were held Monday through Friday from 7 PM to 9 PM, offering focused and practical learning in each tool.
