Workshop on Self-Defense:

As per the direction given by the Department of Students' Development of University of Mumbai, circular no. SW/06/ of 2018, Vikas College of Arts, Science & Commerce has conducted 3 days' workshop on "Self Defense" on **11th, 12th and 13th October, 2018** for girl students. Hon'ble Vidya P. Taut, CEO. Vidya Vikas Education Society was invited as a chairperson. Dr. Reshma Anvekar and Ms. Charuta Mulay were invited as the resource persons to conduct the session.

Dr. Reshma Anvekar is black belt in Karate; she is an international player, likewise Miss. Charuta Mulay who is an international champion in Karate. Dr. Reshma Anvekar has given training for girl students, how to tackle the situation without weapon. She also explained how daily used material like pen, Cell Phone, keychain can be used to protect themselves when we are facing sexual attack at lonely places. She also explained which parts are very sensitive on the face and how to hit.

Miss. Charuta Mulay also trained our girl students with some basic technique with hands. Students from B.A & B.Com participated in this workshop.

Addressing students By Deshpande Madam In Self Defense Workshop.

Date: 15.02.2019

Ms. Riddhi Jadye.
PG Dept. of Psychology,
SNDT Women's University,
Churchgate- Mumbai.

Ms. Riddhi,

Thank you very much for having conducted an interactive session on Sense of Responsibility: Key to Safety on Social Media on Friday, 15th February, 2019 for the students of First Year B.Com, BA and BAF classes in our college.

The session was very enlightening and students enjoyed it to its fullest. I am sure it will serve as a guiding pillar for them in future as they have been rightly oriented so as to use social media and internet in a very responsible manner. Such a session was a necessity in the times when the social life is completely being ruled by the social media and internet.

Looking forward to similar co-operation in future,

Thanking you,

With an objective of educating the youth regarding the necessary responsibility while operating on the social media, IQAC of the college in association with the Department of English had organized an interactive session for the students of First Year by Ms. Riddhi Jadye from PG Dept of Psychology, SNDT University, Mumbai on "Sense of Responsibility: Key to Safety on Social Media" on 15th February, 2019. Dr. Shubhada Deshpande introduced the guest and brief about the theme of the session.

The students were introduced to various aspects of using social media including privacy and cybercrimes. Ms. Riddhi Jadye, in a communicative and an interactive manner, established a bond with the students and made them aware of how their privacy can be endangered if they do not use the social media safely and responsibly.

She introduced the concepts like online frauds, cyber bullying, hacking, piracy and plagiarism, child pornography and grooming. With the help of a creative slideshow and interesting examples, she explained to them how all such malpractices can be harmful if they get involved with as well as if fall a prey to it. She further enlightened them on how they can protect themselves from and refrain from getting involved with these practices as she guided them on the safety measures to be followed while using social media.

This was followed by very helpful tips regarding productive use of internet and social media in general. Vice Principal and IQAC Coordinator Shaji Mathew and Vice Principal V.V. Mulay were present on the occasion.

Subject: Letter of Appreciation

Respected Sir,

This is to thank you for your presence and contribution to the Seminar on the topic “**Learning Java to the Core – a seminar on Core Java Programming**” on 27th August & 28th August, 2018 as the resource person, conducted by the Department of B.Sc.IT /CS.
Your contribution in the Seminar is much appreciated.

Thanking You.

Yours faithfully,

Anil H. Molawade

DAY 2: Deliver Presentations with Impact

On second day students were taught to prepare and make engaging and effective presentations.

DAY 3: Develop Soft Skills for the Workplace

The importance of soft skills was discussed on the third day in order to achieve better results in terms of corporate.

DAY 4: Gain Guidance from Career Gurus

On fourth day receive strategic insights from TCS business experts to make a head start in your career was discussed with students.

DAY 5: Write a Winning Resume and Cover Letter

On fifth day strong resume writing was taught to the students including cover letter.

DAY 6: Stay Ahead in Group Discussions

Importance of group discussions and how to participate in it actively was taught on sixth day of the course.

DAY 7: Ace Corporate Interviews

Training on how to attend and excel in corporate interviews was given to the students on seventh day.

DAY 8: Learn Corporate Etiquette

Learn common business etiquette followed in a corporate setting was discussed on eighth day.

DAY 9: Write Effective Emails

Guidance on how to Craft a professional email with impactful content and a strong subject line was given on ninth day.

DAY 10: Learn Corporate Telephone Etiquette

Understand etiquette to be followed during a work related telecall was taught on tenth day.

DAY 11: Understand Accounting Fundamentals

On eleventh day training on given on understanding the principles and concepts of accounting with an overview of financial statements.

DAY 12: Gain Foundational Skills in IT

TCS tech experts taught to develop their foundational IT skills by listening to them.

DAY 13: Understand Artificial Intelligence (AI) - Part 1

PRINCIPAL

Methodology to Overcome

Stress

1) Diet Plan (Immunity Plan)

- To Educate the Students on how to prepare nutritious and less time Consuming food items.
- To educate on how to prepare these food item with the ingredients available in the kitchen.
- To inform them the importance of their food items as immunity boosters.
- To help them prepare a chart for their weekly routine emphasizing the importance of helping mother in the kitchen.
- To explain how to make certain non-favorite vegetables eatable by using it as salad etc.
- To educate them on time Management.

● Advantages

- Enables the students to make their own breakfast or Tiffin before leaving for college.

2) Game Plan

- To explain and educate the students on the importance of ground games, board game, playing cards for self dependence and confidence building.

● Advantages

- Helps in reducing the stress.

3) Expression Plan

- To teach the students how to maintain a diary.
- To teach them self-talk.

Vidya Vikas Education Society's
VIKAS COLLEGE OF ARTS, SCIENCE & COMMERCE
Affiliated to University of Mumbai
ISO 9001:2015 CERTIFIED

- To teach them how to introspect.
- To explain how to note down the problematic aspects in friendship.

- Advantages

- Helps in introspection which can let one know his/her own negative aspects and also in reducing emotional imbalance.

4) Meditation Plan

- To teach the students, with demonstration, how to meditate.

- Advantages

- Rewires the brain to manage/ stressful situations.

5) Behavioral Plan

- To explain the relationship between thoughts action and results.
- To explain to them how they can be their own mentors.

- Advantages

- Helps in improving the students' belief in counseling and also invoking their creativity.

Department of Information Technology & Computer Science
Detailed Report of the seminar on "Relevance of Java in Modern Times"

Title: Report of the seminar on "Relevance of Java in Modern Times"

Date: 20-8- 2019

Resource Person: Prof. Shaikh Ahthesham Arif, Co-Ordinator, IT department, Akbar Peerbhoy college, Mumbai

Introduction:

In a rapidly evolving digital landscape, understanding the enduring significance of Java is essential. Java, with its rich history and adaptability, continues to be a cornerstone of software development, offering diverse career opportunities and shaping cutting-edge technologies. Join us as we delve into the world of Java and explore its pivotal role in today's technology-driven era.

Objectives:

The objective of this seminar is to explore the enduring relevance of Java in modern times and provide students with a comprehensive understanding of how this versatile programming language continues to play a crucial role in contemporary technology and software development landscapes. By the end of the seminar, participants will:

1. Gain an in-depth understanding of Java's history, evolution, and its position in the modern programming ecosystem.
2. Explore the key features and strengths of Java that make it a valuable tool for various software development domains.
3. Understand how Java is used in cutting-edge technologies, including cloud computing, mobile app development, web applications, and data science.

58

4. Examine the role of Java in the development of Android applications and its impact on the mobile industry.
5. Discover the importance of Java in Big Data and Internet of Things (IoT) applications.
6. Discuss Java's contributions to the cyber security landscape and its role in ensuring robust, secure software development.
7. Learn about the latest trends and innovations in the Java ecosystem, including new libraries, frameworks, and tools.
8. Understand the career prospects and job opportunities available for Java developers in the current job market.
9. Gain insights into best practices and resources for staying up-to-date with Java and its evolving ecosystem.

By the end of this seminar, students will be equipped with a renewed appreciation for Java's relevance in the ever-evolving field of technology, empowering them to make informed career choices and pursue Java-related opportunities with confidence.

Course Contents:

1. Introduction to Java
 - Brief history of Java
 - Core principles of Java programming
 - Importance of cross-platform compatibility
2. Key Features and Strengths of Java
 - Overview of Java's simplicity and readability
 - Benefits of strong typing and automatic memory management
 - Discussion on platform independence and the Java Virtual Machine (JVM)
3. Java in Modern Technologies
 - Java in cloud computing and microservices
 - Java in mobile app development
 - Java for web applications (Java EE)
 - Java's role in data science (Java for Apache Spark)
4. Java in Android App Development
 - The significance of Java in Android's development
 - How Java has shaped the mobile app industry
5. Java in Big Data and IoT

Vidya Vikas Education Society's
VIKAS COLLEGE OF ARTS, SCIENCE & COMMERCE
Affiliated to University of Mumbai
ISO 9001:2015 CERTIFIED

- Java's role in Big Data analytics and processing
- How Java is used in Internet of Things (IoT) applications
- 6. Java and Cyber security
 - Java's contributions to cyber security
 - The importance of secure software development
- 7. Latest Trends and Innovations
 - Explore new libraries, frameworks, and tools in the Java ecosystem
 - Stay updated with the latest developments in Java
- 8. Career Prospects for Java Developers
 - Discuss the job market for Java developers
 - Highlight career opportunities and growth potential
- 9. Best Practices and Resources
 - Share recommended resources for further learning
 - Discuss best practices for Java developers
- 10. Q&A and Interactive Session
 - Engage participants in a question and answer session
 - Encourage discussion and address any queries
- 11. Conclusion and Key Takeaways
 - Summarize the seminar's key points and insights
 - Highlight the enduring relevance of Java in modern times

Benefits for Students:

- 1. Comprehensive Understanding of Java:** Students will gain a thorough understanding of Java's history, principles, and core features, forming a strong foundation in Java programming.
- 2. Versatility in Software Development:** They will appreciate the versatility of Java in various domains, including cloud computing, mobile app development, web applications, and data science, allowing them to explore a wide range of career opportunities.
- 3. Android App Development:** Students interested in mobile app development will learn how Java continues to be a fundamental language for Android app development, a significant segment of the software industry.
- 4. Relevance in Modern Technologies:** They will understand how Java remains relevant in modern technologies such as Big Data, Internet of Things (IoT), and cloud computing, enhancing their knowledge of cutting-edge trends.

5. Cyber security Skills: Students will learn about Java's contributions to cybersecurity and the importance of secure software development, a critical aspect in today's technology landscape.

6. Latest Trends and Innovations: They will stay updated with the latest trends, libraries, frameworks, and tools in the Java ecosystem, ensuring they remain competitive in the job market.

7. Career Prospects: Students will gain insights into the career prospects for Java developers, discovering the wide range of job opportunities available to them.

8. Resource Awareness: They will be introduced to valuable resources for further learning, enabling them to continue their education independently.

9. Networking Opportunities: The seminar will provide a platform for students to connect with peers and the instructor, fostering networking and collaboration among like-minded individuals.

10. Confidence and Informed Choices: Students will leave the seminar with the confidence to make informed career choices, knowing that Java remains a highly relevant and sought-after skill in the tech industry.

Overall, this seminar equips students with knowledge and insights that not only enhance their understanding of Java but also prepare them to excel in the competitive and dynamic field of software development, making them valuable assets to future employers and their own career development.

Outcomes:

1. Strong Foundational Knowledge: Participants will have a solid understanding of Java's history, core principles, and its role in contemporary software development, providing them with a strong foundational knowledge of the language.

- 2. Diverse Career Pathways:** Attendees will be aware of the various career pathways available to Java developers, including cloud computing, mobile app development, web applications, data science, and more, allowing them to make informed career choices.
- 3. Practical Skills and Experience:** After engaging in hands-on exercises and practical demonstrations, participants will have developed and improved their Java programming skills, enabling them to apply their knowledge effectively in real-world scenarios.
- 4. Up-to-Date Knowledge:** Participants will stay up-to-date with the latest trends, innovations, and resources in the Java ecosystem, ensuring they remain current and competitive in the ever-evolving field of technology.
- 5. Informed Decision-Making:** Armed with a comprehensive understanding of Java's relevance in the modern tech landscape, attendees will make informed decisions about their academic and career paths, allowing them to confidently pursue opportunities in the world of Java development and related fields.

Conclusion:

In conclusion, the seminar on the "Relevance of Java in Modern Times" has provided us with a comprehensive insight into the enduring significance of Java in today's rapidly evolving technology landscape. We've explored its historical underpinnings, versatility in modern applications, and its pivotal role in shaping numerous industries. Armed with practical skills, an understanding of cutting-edge trends, and a diverse range of career prospects, participants leave this seminar well-prepared to embark on their journey in the world of Java development. We encourage each attendee to leverage this knowledge to make informed choices, remain adaptable, and continue to excel in the dynamic field of software development. Java's relevance is not merely historical; it is an evergreen asset in the world of technology.

Department of Information Technology & Computer Science

Report of Spoken Tutorial courses, IIT Bombay

The Spoken Tutorial project, a venture of the "Talk to a Teacher" initiative under the National Mission on Education through Information and Communication Technology, launched by the esteemed Ministry of Education (previously MHRD), Govt of India, is a beacon of hope for promoting IT literacy and enhancing the employment potential of learners in India, all while embracing the power of free and open source software (FOSS).

At the heart of the Spoken Tutorial project lies a noble goal - to promote IT literacy for education and uplift the employment prospects of learners in India, by harnessing the power of free and open source software (FOSS). With ICT being a key player in offering vast employment opportunities to students, the project strives to impart knowledge of essential ICT areas, such as software creation, electronic design automation (IC design), numerical computing, and modeling and simulation, among others.

Through their website, the project endeavors to equip millions across the country with the technical prowess and FOSS expertise that can unlock a world of opportunities, especially for those who may face barriers to software learning. With unwavering dedication and a passion for empowerment, the Spoken Tutorial project is a beacon of hope for the next generation of learners in India.

The Spoken Tutorial is a masterpiece of modern pedagogy, a captivating 10-minute audio-video tutorial that employs the revolutionary screen cast methodology. Unlike conventional video tutorials, the Spoken Tutorial focuses solely on the lesson at hand, without capturing the face of the instructor, thus creating an immersive and distraction-free learning experience for the students.

What sets the Spoken Tutorial apart from the rest is the fact that it offers dubbed versions of its spoken content in all Indian languages, thus enabling learners from all corners of the country to access it. With each tutorial dedicated to a specific topic, learners can navigate their learning journey with ease and convenience, and acquire skills at their own pace.

The Spoken Tutorial's versatility knows no bounds, for it can be accessed both online and offline, making it an invaluable resource for learners who lack Internet connectivity. By breaking down the barriers of learning and democratizing access to knowledge, the Spoken Tutorial has earned its place as a trailblazer in the realm of education.

In a stirring testament to its commitment to fostering academic excellence, the college has taken a bold step forward by signing a **Memorandum of Understanding (MOU) with Spoken Tutorial, IIT Bombay** - a revered institution renowned for its contributions to the field of education. As a result of this landmark partnership, the college has been able to offer a range of innovative courses, powered by the Spoken Tutorial's cutting-edge pedagogy and unwavering commitment to knowledge dissemination. The MOU is a symbol of the college's unwavering dedication to empowering its students with the tools and skills necessary to succeed in a rapidly evolving world.

“Cyber Sakhi” on Cyber Safety

The WDC of the College, in association with Responsible Netism organized “Cyber Sakhi”, an online awareness programme on cyber safety, on the occasion of international Women’s Day on 10th March 2022, at 4:00 pm on Microsoft Teams. In this current technological world, students are too much exposed to social media and they are affected by bullying. Due to which, they have been socially isolated, made to feel different, they are ashamed and also need loneliness. Ultimately it affects their studies, negativity in their minds sometime, they try to do suicide. So, by considering all these consequences, the W.D.C. of the college organized this programme.

Resource person Smt. Steffi Bengamin, conducted the session with colourful presentation, she discussed various causes of bullying and also discussed ‘how to deal with bullying’. She also discussed on online grooming are revenge porn, honey traps, Sextortion, self-created child sexually abusive material, Dating Apps etc. The solutions are, do not react or respond because bullies wait for reaction, report to trusted adults like, parents, teachers etc. keep copies and evidences of the bullying content and report to social media site. The webinar was concluded with question answer session.

Report on Workspace Skills Training Programme

The Internal Quality Assurance Cell, Skill Development Committee, Women Development Cell and the Dept of English of Vikas College of Arts, Science & Commerce, Vikhroli in association with American India Foundation, conducted a 5 days Employability Skills Building (Workspace Skills Training Programme) Training from 7th September, 2022 to 13th September, 2022 for the girl students of Third Year of all the programmes. The training programme was sponsored by Dell Technologies. Ms. Meera Kaliyaperumal conducted all the sessions for the girl students.

The objective was to supplement the theoretical knowledge obtained by the students as a part of their college curriculum with the necessary employability skills in order to help the girls in making themselves employable after completing the graduation. Soft skills, communication skills being an important requisite for a job, the resource person explained the need for the same at the beginning. Students were involved in some tasks oriented towards the development of their communication skills.

The sessions were interactive and activity based. The students were guided on how to prepare a good resume with all minute details and do's and don'ts. They were then assigned the home activity of preparing their own resume and mailing it to the resource person.

They were also oriented in terms of preparation for facing an interview which was followed by an activity of introducing oneself and creating a video of it. The application of the training sessions added to the effectiveness of the sessions.

They were also taught basic computer applications like how to use the softwares like Word and Excel. Apart from this, they were also guided on preparation of slides on Power Point Presentation with minute tips of do's and don'ts.

The students were also trained on office etiquettes, use of non-verbal cues like body language, personal grooming, dressing etc.

On the final day, all the 83 girl participants were awarded certificates from American India Foundation and Dell Technologies. They were also awarded certificates from NSDC. The Principal Dr. R.K. Patra appreciated the initiative by all the organizing committees and mentioned special gratitude towards American India Foundation, Dell Technologies and Ms. Meera Kaliyaperumal for their initiative and co-operation. Dr. S. K. Deshpande extended vote of thanks.

Self Defence

As a part of the celebration of the 75th Azadi Ka Amrit Mahotsav, the Internal Quality Assurance Cell, Women Development Cell and National Service Scheme in association with Protection & Security Branch of Mumbai Police, organize a workshop on “Self Defence”, on 13th August 2022. The team consists of MS. Padma Mathias from the Office of Police Commissioner Mumbai and her male colleagues. The team has conducted the session for the girl students of the college.

She urged the girl students how they should on alert always, everywhere and anytime. She also emphasized more on their physical fitness. She advised self defence helps us to prepare for unexpected situation and also whenever we are attacked by strangers, self defence is very essential to the girl students in the society. Martial arts and self defence skills are useful for dangerous and unforeseen circumstances. The girl students are advised to maintain proper communication with their parents or adults in the family, whenever they are outing with their friends. She also emphasized the students to share information when they travel in the auto or taxi as a protective measure. The session was supported by colourful PPT and question answer section, the students have participated actively.

An Interactive Session on “Building Relationship: Boost to Healthy Society”

On the occasion of the International Women' Day, on 8th March 2023, WDC of the college has organized an Interactive Session on “Building Relationship: Boost to Healthy Society”, Prof. Mrs. Jyostna N Shimpi and Adv. Lalita Mehta conducted the interactive session. The session was divided into two parts, the 1st part was conducted by Adv. Lalita Mehta on the main causes of the divorce and the legal aspect of divorce. She explained that divorce the legal dissolution of the marital union between a man and woman. The separation is granted by the court of law. Divorce can be a mutual divorce and contested divorce, she also explained how the lack of communication, infidelity, or extramarital affairs, too much conflicts and argument and lack of physical intimacy became the major causes of divorce. Simultaneously, after divorce how the couple experiences like decreased levels of happiness, change in economic and social status and emotional problems and the impact on children include academic, behavior and psychological problems.

The 2nd part of the interactive session was conducted by Prof. Jyostna N Shimpi. She has explained how a healthy relationship boost to healthy society. She has explained in a very simple and lucid language about what does a healthy relationship and how to manage to have a successful relationship by both husband and wife. She also explained the various challenges faced by the couple in their life. She has given many tips to build healthy relationship. She conducted the session with beautiful and colourful presentation, so we could see the active participation of the students.

Department of Information Technology & Computer Science

Detailed Report of "EXCELR"

**Title: Report of 30 Hrs Add-on courses conducted in association with "EXCELR"
based on the MOU**

Date: 30th May 2022 to 30th May 2023

Introduction:

The Department of Information Technology & Computer Science at Vikas College of Arts, Science & Commerce successfully organized a series of 30-hour add-on online certification courses in collaboration with EXCELR. These courses were designed to provide students with additional knowledge and practical skills in various IT and data-related domains. The collaboration was facilitated through a Memorandum of Understanding (MOU) between the two entities.

- ExcelR's Every Day Learning (EDL) program is a 30-hour live virtual training program.
- The program is designed to provide participants with valuable knowledge and skills.
- The training program is offered free of cost due to the signed Memorandum of Understanding (MOU).
- The sessions are conducted on weekdays, providing flexibility for participants.
- The timing of the sessions is from 7.00 PM to 9.00 PM, allowing students to attend after their regular commitments.
- All courses have a minimum duration of 15 days.
- Participants will have the opportunity to engage in hands-on exercises and practical examples during the training program.
- This interactive approach helps reinforce learning and allows participants to apply the concepts practically.
- Upon successful completion of the training program, participants will receive a participation certificate from ExcelR.
- The certificate serves as recognition of the participants' dedication, effort, and successful completion of the training program.
- ExcelR's Every Day Learning (EDL) program offers a valuable opportunity for individuals to enhance their skills and knowledge, benefiting their personal and professional growth.

Courses conducted & its Objectives:

- **Cloud Fundamentals:** Introduce the basics of cloud computing and provide practical sessions to enhance understanding and hands-on experience.
- **Introduction to R programming and Tableau:** Familiarize students with R programming language and Tableau for data analysis and visualization.

113

PRINCIPAL

- Gain hands-on experience through practical sessions and real-world case studies.
- Expand their skill set and increase their career prospects in the IT industry.

Outcomes:

- Students will have a solid understanding of cloud computing fundamentals and practical experience in using cloud services.
- They will be proficient in R programming and Tableau for data analysis and visualization tasks.
- Students will have practical knowledge of automation testing, DevOps concepts, and industry-standard tools.
- They will be equipped with digital marketing skills, including social media marketing, email marketing, and Google AdSense.
- Students will have proficiency in Python programming and SQL for data manipulation and analysis.
- They will be able to utilize advanced features of Excel, PowerPoint, and Word effectively.
- Students will gain a foundational understanding of full-stack development and the ability to create web applications.
- They will be able to perform data analytics and create insightful visualizations using Power BI and Tableau.

Conclusion:

In conclusion, the collaboration between the Department of Information Technology & Computer Science at Vikas College of Arts, Science & Commerce and EXCEL R for the Every Day Learning (EDL) program has been highly successful. The program has provided students with valuable knowledge and practical skills in various IT and data-related domains.

Here are the key points to summarize the report:

116

PRINCIPAL

VIKAS COLLEGE OF ARTS, SCIENCE & COMMERCE

FREE PROGRAM ON AUTOMATION TESTING AND DEVOPS FROM INDUSTRY EXPERT

Date: 08th August (Onwards 15 Days)
Time: 7PM to 9 PM (2 Hrs Per Day)

ExcelR, under their flagship "Everyday Learning Program" (EDL) proudly announces the next free live virtual training program on Automation Testing and DevOps for the duration of 30 hours, starting from 08th August 2022 from 07PM to 09PM everyday, on weekdays. Students and faculty are requested to register for this program and get a participation certificate from ExcelR for free.

Topics covered:

Automation Testing

- Introduction to STLC
- Manual Testing Concepts
- Automation Testing Using Selenium
- API Testing

DevOps

- DevOps Essentials
- Organizing & Simplifying Data
- AWS DevOps Services
- Configuration Management

What will you get?

- Lifetime access to LMS
- Assignments
- Digital Certificate of Participation

Who can attend?

Extremely useful for students from all streams, faculty, researchers, PG & PhD Scholars

Google

Mehfooz Ahmed Ansari

has successfully completed the online, non-credit Professional Certificate

Google Project Management

Those who earn the Google Project Management Certificate have completed six courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in Project Management. They are competent in initiating, planning and running both traditional and agile projects.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.

Foundations of Digital Marketing and E-commerce

Attract and Engage Customers with Digital Marketing

From Likes to Leads: Interact with Customers Online

Think Outside the Inbox: Email Marketing

Assess for Success: Marketing Analytics and Measurement

Make the Sale: Build, Launch, and Manage E-commerce Stores

Satisfaction Guaranteed: Develop Customer Loyalty Online

Aug 28, 2022

Mehfooz Ahmed Ansari

has successfully completed the online, non-credit Professional Certificate

Google Digital Marketing & E-commerce

Those who earn the Google Digital Marketing & E-commerce Professional Certificate have completed seven-courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for entry-level roles in the field. They are competent in foundational skills in digital marketing and e-commerce.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.

Vidya Vikas Education Society's
VIKAS COLLEGE OF ARTS, SCIENCE & COMMERCE
Affiliated to University of Mumbai
ISO 9001:2015 CERTIFIED

The students were offered certificate courses in addition to those offered as a part of regular programmes. These courses were offered free of cost to the students from all the streams with an objective of their overall development and grooming thus supplementing the regular curriculum in making the students employable.

The courses were of 30 hours duration spread across 15 days, 2 hours daily from 1st April to 15th April 2023 providing the students training in each of the following areas:

- Digital Marketing
- Project Management
- Communication Skills

The trainers appointed for this purpose had considered the needs of the students while designing the syllabus. Along with the classroom sessions, students were also provided with necessary application of the theory taught through hands- on experience in the practical sessions.

Following are some of the areas covered in these courses:

1. Digital Marketing:

Digital vs. Real Marketing, Digital Marketing Channels, Creating Plan for Digital Marketing, SWOT analysis, Content Management, CRM, Social Media Marketing, Creating a Face book Page, Business tools on LinkedIn, You Tube Advertising, E-mail Marketing, etc.

2. Project Management

Project Life Cycle and Initiation, Project Planning and Scope, Project Scheduling, Risk Analysis of Projects, Project Quality Management, Using Project Management Software, etc.

3. Communication Skills

Verbal Communication, Effective Writing Skills, Business Communication, etc.

Total 53 students participated in these three courses. All participating students were awarded E – Certificate.
