Subject: Proposal for comprehensive cooperation on various academic and non-academic matters.

Dear Dr. Vinay Raut Sir and Respected Principal,

Thank you for your interaction with Dr. Milind Vinod this morning. As discussed, we would like to conduct a range of mutually beneficial activities as an integral part of NAAC. Such as:

1. **ECONOMICA** event exhibition: This is a very successful event, which we conducted, where the students explored various fundamental economics' concepts through 3D models prepared by them. I am sure that there is a lot that your teachers and students can take away from this exhibition as an innovative learning tool. We request you to kindly allocate us an appropriate space in your institute where the models can be displayed.
2. **Career Counselling**: Our experienced faculty will conduct a career counselling session for the graduating students of TY B. Com, BAF, BSc and BMS followed by practical hands-on session on cracking MahCET (Entrance test for admission in MMS degree program).
3. **Papers for forthcoming international conference**: We are happy to inform you that we are jointly organising an International Research Conference with Gurukul College of Commerce and would welcome research papers from your faculty members.
4. **Faculty Exchange Program**: We endeavour to organise guest lectures and conduct faculty exchange program whereby faculty of your and our institution will deliver guest lectures at each other's institutes.
5. **Non-Academic Matters**: We wish to promote several non-academic activities such as cultural programs, Sports, industrial visits and like.

We request you to setup a meeting so that the range of matters as mentioned above can be discussed at length with a view to enter into a formal MoU. Looking forward to meeting you soon.

Thank You,

Sincerely,
